I agree with the Muzrai Commissioner. Committee to supervise the education of the Swamigalu is quite necessary. It is not possible to get at Sivaganga resident members of the kind required by the Committee. The present Committee is, I think, very competent and its continuance with some minor changes is essential in the interests of the Mutt.

I am not sure if the Committee need have as many as six members. Four members -- two lowkiks and two vaidiks -- will, I think, do. The present lowkik members are, I think, all right As for the two vaidik members, the persons selected should be gentlemen of high attainments and character. Mahamahopadhyaya Panchapakesa Sastry who I understand will shortly replace Mahamahopadhyaya Virupaksha Sastry as a professor in the Shankar Mutt here and Mr. Venkatesa Sastry who, I believe, was for some time teaching the Swamigalu and who is a scholar of high attainments, may be the two vaidik members.

It is not fair to expect the members to

Serial No.

to go to Sivaganga at their own expense. Travelling allowances for their journeys should be given and on this point also I agree with the Muzrai Commissioner. We may, however, request the members to accept only out-of-pocket expenses on a reasonable scale. It is not, I think, necessary to ~~xxx~~ adopt the M.S.R. rates in the case of retired officers. It is also desirable not to make invidious distinctions in the travelling allowances allowed to vaidik and lowkik members. A uniform scale of allowances may be given to all of them. The following scale may be suggested:

Railway journeys.-	One Second class fare and one Third class fare if a personal servant is taken.
Road Journeys.-	Four annas per mile.
Halt.-	Rs 3/- per day.

38 I do not think one visit in two months is sufficient. One or two members, as may be settled by the Chairman, may be requested to pay a visit every month.

39 The education of the Swamigalu is a matter of the highest importance to the Mutt and a sum of Rs 200/- or Rs 300/- out of its funds every year used for meeting the travelling allowances of the members of the Committee should be considered as put to the best purpose.

40 Please write a letter to the Muzrai Commissioner making the above suggestings and requesting him to express his own opinion on

on them as also to obtain the opinion of the present Committee. As regards the scale of travelling allowances suggested, it may be added that it is proposed to keep down the cost and that it is hoped that it will be considered by the members as enough to cover their out-of-pocket expenses.

Hoskote Subba Sastry as chief Tutor to the Swamigalu of the Sri Sivaganga Matha I have the honor to forward herewith copy of letter dated the 15th Instant received from Mr. D. Venkataramiah, Chairman, submitting a copy of the proceedings of a meeting of the Committee held on the 14th Instant and requesting definite orders on the following points.

(i) Appointment of an Assistant Tutor on Rs.40/- a month

&(ii) Continuance or otherwise of the existing committee.

2. As regards (i) kind reference is invited to para 2 of this office letter dated 30th January 1926 recommending the appointment of Pandit Narayana Sastry as Assistant Tutor on Rs.40/- a month. As the Pandit has since left the Matha service and as there is real necessity for the appointment of an additional Pandit, I beg to -- support the Committee's recommendation and to solicit sanction of Government for the entertainment of an Assistant Tutor on Rs.40/- a month.

3. As regards (ii) kind reference is invited to Mr.Balasundaram Iyer's letter dated 5th January 1926 opining that the proposals of the committee are well considered and recommending sanction thereto. In the interests of the Swamy's education some check and supervision over the work of the Pandits by an outside agency seem to be very

very necessary. As the cost to be incurred will be however negligible having regard to the larger interest involved, I beg that the Committee's proposal may be sanctioned tentatively for a year in the first instance.

Hoskote Subba Sastry as chief tutor to the Swamigalu and a copy of the resolutions of that meeting is herein enclosed.

I must bring to your notice that the Government Order is -- silent re- the appointment of an assistant tutor. It is true that Ved. Narayana Sastry has left us but the appointment as such has to be sanctioned before we could select a competent person to take his place. Another question that has been ignored is the continuance or otherwise of the existing committee. I am of opinion that for a couple of years at least there should be a strong committee to ----- supervise the education of the Swamigalu whether he happens to remain here or at Sivaganga.

Arrangements for the Swamigalu to proceed to Sivaganga will be settled after Ved. Subba Sastry joins duty here.

Meanwhile I request you to kindly get definite orders passed on the points noted above."

Sir,

With reference to your letter No.1983/M.F.153-25-9 dated 9th April 1926, regarding the continuance of the committee for the supervision of the education and training of the Swamigalu of the Sri Sivaganga Matha, I have the honor to state that the views of Government were communicated to the members of the committee. I submit herewith a copy of the Chairman's letter dated 4th May 1926 together with a copy of the proceedings of the meeting of the committee held on 27th April 1926 pointing out the need for continuing the committee or a similar body to look after the -- training of the Swamigalu and stating that none of the members is prepared to put himself to expense in this respect.

2. I agree with the committee and the opinion entertained by Mr. Venkataramaiya and think that the continuance of the committee during the period of the Swami's minority is a -- matter of the utmost importance.

Of the members constituting the committee, two, viz., -- Messrs D. Venkataramaiya and A.A.Krishnaswami Iyer are ex-officers of Government and the rest are private gentlemen not in -- Government appointment. It seems to me that the former should be paid the same rate of travelling allowance as they were -- entitled to draw when in active service and the latter should -- II class fare to & fro with a mileage of 4 as and a daily batta of Rs.2/-. As only two members visit Sivaganga once in the --

months and as the full committee will meet only once a year, the charges to be incurred will not be heavy.

3. In these circumstances I beg to recommend that the committee's proposal may be accepted and tried for a period of one year to begin with-I solicit the favour of early orders.

Letter dated 4th May 1926 from Mr. D. Venkataramiah Chairman to the Muzrai Commissioner in Mysore.

"With reference to your letter No.1005 of 24-25 of 24-25 dated 19th April 1926-regarding the continuance of the existing committee for the supervision of the Education of the minor Swamigalu of the Sri Sivaganga Matta, I have the honor to state that a special meeting of the committee was convened on the 27th. instant, to consider the order of Government in this behalf and I have enclosed a copy of the resolutions passed at the meeting. It will be seen from the perusal that they feel somewhat surprised at the way the Government have -- dealt with this question, and they still adhere to the recommendation already communicated to you. Much as they would like to assist in the up-bringing and educational training of the Swamigalu none of -- them is prepared to put himself to expense in this respect. I beg to add that I agree with the committee that I am not in a position to --- supervise the Swamigalu's education at Sivaganga at my own cost. -- Before the question is finally decided I should like to emphasise very very strongly the need for continuing the present committee or a --

It is of the utmost import that provision should be made for the effective oversight of his education and conduct especially during the formative period of his life and in my opinion no expenditure is ill-incurred which is set apart for this object."

Sir,

With reference to correspondence endin with your letter No. C.1005 of 24-25 dated 6t May 1926 regarding the continuance of the com mittee for the supervision of the education a training of the Swamigalu of the Sivaganga Mutt, I am desired to state that the Governme agree with you that the continuance of the pre sent committee with some minor changes is - essential in the interests of the Mutt, as th education of the Swamigalu is a matter of the highest importance and ~~an~~ the expenditure of a sum of Rs.200 to 300 per annum out of the fun of the Mutt for meeting the travelling allow of the members is well worth incurring.

I am to state that the strength of the committee may be ~~slightly~~ reduced to 4 members 2 Lowkiks and 2 Vaidiks ~~being appointed~~. Govt will be glad if ~~the present~~ Lowkik members co ~~tinue to serve on the committee.~~ In regard t Vaidik members, I am to state that Mahamaho- padhyaya Panchapakesha Sastry and Mr. Venkates Sastry may be appointed ~~if they are~~

Messrs C Venkatanarain Iyer and K.A. Krishnaswami Iyer are agreeable to serve on the Committee as the Lowkik members

of the Srirangam Mutt Bungalow who, Crook understand, Won for some time teaching the Swamigalu

Government agree that it is not fair t expect the members to go to Sivaganga at thei own expense. As it is necessary to keep dow the cost as ~~low~~ as possible, it is hoped tha the members will agree to accept a scale of travelling allowances, as proposed below, wh is ~~just~~ expected to cover their out-of-pocke

expenses. It does not seem desirable to make any distinction between Vaidik and Lowkik members nor is it necessary to adopt the M.S.R. rates in respect of retired officers. The rates proposed are as follows:-

Railway journeys-	One second class fare and one 3rd class fare, if a personal servant is taken.
Road journeys-	Four annas per mile.
Halt-	Rs.3/- per day.

Government are of opinion that a visit of the members once in two months may not be sufficient. One or two members, as may be decided by the Chairman, may be requested to visit Sivaganga once every month.

I am desired to request that the opinio of the committee may be kindly obtained on the suggestions contained in this letter and forwarded to Government along with your own.
